MARSANNAY BLANC 2018 DOMAINE TRAPET PÈRE ET FILS

Jean-Louis Trapet is one of the great names in Gevrey-Chambertin. He is fashioning wines that are elegant and pure, much like himself. He is creating the soil-driven and absolutely pure wines of his father and grandfather's era. While the estate is best known for its three grand crus, the quality at Domaine Trapet is outstanding up and down the hierarchy of their vineyard holdings. The vineyards have been fully farmed under biodynamic principles since 1996 and have been certified biodynamic since 2009.

Grape: 100% Chardonnay

Vineyard & Vinification Note:
Organic sustainable farming

The Wine Advocate Tasting Note:

The 2018 Marsannay Blanc opens in the glass with scents of crisp yellow orchard fruit, orange oil and white flowers. Medium-bodied, aromatic and racy, this has also turned out well. Trapet observes that there's some Pinot Gris planted among the Chardonnay here. **88 Points, William Kelley, February 2020**
DRINK 2020-2030

Allen Meadows' Burghound Tasting Note:

There is a whiff of the exotic present on the aromas of melon, pear, apple and passion fruit. There is impressive richness to the sappy, caressing and seductively textured middle weight flavors that offer a bit more depth and persistence on the mildly tangy finale. To enjoy young. **87 Points, January 2020**
