QUALITY SINCE 1989

GEVREY CHAMBERTIN 2020 DOMAINE HARMAND-GEOFFROY

Gérard Harmand, and his son Philippe, run this 9 hectares Domaine which has been in the family since the end of the 19th century. They are always in the pursuit of elegance and finesse and are constantly seeking to improve their methods, whilst maintaining principles of sustainability.

Grape: 100% Pinot Noir

Vineyard & Vinification Note:

Surface in production: 3 ha 30 **Soil:** ARGILO-CALCAIRE

Density of plantation: 11000 vines / ha

Age of vines: 50 to 60+ year old **-Green harvest :** in July.

Harvest: By hand, manual sorting in the vineyard and cellar

Vinification: 21 days, traditional with thermoregulation

Maturation: 12 months in French oak with 25% of new oak.

Tasting Note: Powerful but elegant. Rich and Fruity aromas. Keep for 5 to 10 years.

Allen Meadows' Burghound: Deeply colored. A slightly riper nose reflects notes of poached plum, black cherry, warm earth and a whiff of the sauvage. The fresh, lively and delicious middleweight flavors conclude in a mildly austere and lingering finish that will also need at least some patience. Worth your interest. **89 Points, January 2023**

Food Pairing: A great partner of guinea fowl, chicken, duck, rack of lamb or a simple steak. A good partner also with cheeses (not pungent).
